Please use the space below to enter any additional information about yourself or any job related skills or other experience you may have that would be beneficial to you in a position at Forest Hill:

I am very hopeful for an opportunity to work at Forest Hill this summer. I believe I am a good candidate to work in the snack bar or as a gate attendant. So far, my only official job has been as a youth league soccer referee. I had to complete many hours of online and in person training to obtain that state certification, and I enjoy this job. I have been told by my supervisors that I do a good job of communicating with the younger players. Most of them are around 7 or 8 years old, and I have to give them instructions or explain some rules of the game. Coaches have also given me compliments for the way that I help organize the game. I am very good about being on time for my shift, and always like to get there early to make sure the field is ready for play. I've also stayed late and taken on additional games when other referees did not show up for their shift. I think these attributes will apply well to either of these positions at Forest Hill.

I hereby authorize investigation of all statements contained in the above application for employment at Forest Hill Swim and Tennis Club. I hereby understand that any deliberate misrepresentation or omission of facts in the above application shall be cause for dismissal if employed.

I further certify that this application was completed by the applicant.
