

## Forest Hill Swim and Tennis Club Instructions to Join AAU

**All members of Forest Hill Swim Team and Dive Team MUST have an AAU membership before he/she can walk on deck and participate in practice.** Effective 2014, each family is responsible for purchasing the AAU membership(s) for its athlete(s). An athlete cannot sign up for Swim Team or Dive Team without proof of holding an AAU membership.

**The following outlines the steps to obtaining an AAU membership:**

- Go to [www.aasports.org](http://www.aasports.org). Click "JOIN AAU".
- If you have an account, sign in. If not, then you need to register for an account. (You do NOT need an account for each athlete, just for each purchaser.)
- Click "New Membership" if this is the first time you are setting up an account or "Renew Membership" if you are renewing a membership YOU purchased last year. (You cannot renew the memberships purchased by Forest Hill in the past.)
- If you are Renewing a Membership, click Modify next to the athlete's name. In the profile go down to the "CLUB ASSOCIATION" section and choose Forest Hill Swim and Tennis Club. The number changes from year to year, so it will not save your club association from the previous year.
- If you are not renewing, choose the appropriate box under "Athlete Sign Up".
- Click the circle under "Youth Program".
- Select the sport in which your athlete plans to participate. You can choose only one sport, so if your athlete plans to participate on both the Swim and Dive Teams, choosing either sport will suffice.
- Click "Select and Continue" under "REGULAR MEMBERSHIP". You may choose the "Extended Benefit Membership" if you want, but it is not necessary.
- Complete the "GENERAL INFORMATION" section.
- Complete the "CLUB ASSOCIATION" section. "Select A Club" – please scroll down and select Forest Hill Swim and Tennis Club. If the drop down menu is not working, **the Club Code for this season (2018) is WY3AT8 (The Club Code changes every year and must be 'updated'.)**
- Once the form is completed, you will click "Save and Continue". You will then have the option of registering another athlete or moving directly to the Checkout. Once you pay, print the receipt which includes your athlete's membership card, for your records. **MAKE NOTE OF YOUR ATHLETE'S MEMBERSHIP NUMBER. This number changes every year... and this number is required when you register your athlete for Swim Team or Dive Team.**
