- Generally, baby pool open from 10-8, main pool 11-9, Phillips (lap) pool 12-9
  - Baby pool will not open in June. Under normal operation and when/if it opens, it requires adult (13+) supervision within fence and is for children 8 and under

  - Main pool – open swim, NO ADULT SWIM!
- The board is evaluating whether or not extended hours will be offered to allow increased access to members in light of capacity limitations imposed by COVID-19 related Health Department restrictions.
- Due to COVID-19 restrictions on capacity and to maximize use of the club grounds for members, guests will not be permitted in the short to medium term. The board will continuously monitor facility use and may re-evaluate guest policy based on this.
- Nannies only if member has already paid the nanny-fee for the summer
- Due to COVID-19, Party Packages will not be available during June and July. The board is currently evaluating availability in August.
